

2018 Request for Proposals (RFP) for:

New holes to be added in 2018!

Larkin Links, 763 Seneca Street in Larkinsville

Request for Proposals for New Golf Holes!

Larkin Links, a nano-sized, artist-designed golf course opened at 763 Seneca St. in Larkinsville in June 2015. The course is open to the public and free to play all season long with golf clubs, balls, and score-cards on site for the public to use.

The holes are placed in storage for the winter season. For the 2018 spring, summer and fall season, a couple of golf holes will be retired to make room for the commission of 2 -3 new golf holes.

Larkin Development Group (developer of Larkin Square) invites you to apply to design and build a new hole for **Larkin Links**.

The course is conveniently located 1/2 block east of Larkin Square. With the widespread community embrace of Larkinsville, from pickleball courts to shuffleboard courts plus Buffalo's smallest art gallery inside the Hydraulic Hearth, Larkin Links adds to the mix of art and fun along Seneca Street in Larkinsville!

We invite artists, designers, any creative DIYers to submit a design proposal for one of 2 - 3 new holes. This year we are looking for holes that are intricate, yet small in size. Proposals should be for a hole no larger than 36 sq. ft. Selected artists will receive a \$1000 fee to cover design and fabrication. Dates and details on application.

For more information on Larkin Square: LarkinSquare.com

Application for a *Larkin Links* nano golf hole

Thank you for submitting a design for a hole for *Larkin Links* nano sized golf course.

Selected artists will receive a \$1000 fee for the design and fabrication of the hole. Payment will be made upon delivery of a ready-to-go in the ground hole. Artist is responsible for the fabrication and delivery of the hole.

The hole must be able to withstand inclement weather.

The maximum size for a hole is 36 sq. ft.

The completed hole must be ready to be installed upon delivery.
