

Hydraulic Hearth Food/ Bev Packages:
BAR

At the bar you have the option to just do pay-per-consumption, or an all you can drink package. Pay-Per-Consumption (i.e. running a big bar tab) tends to be the better value for milder groups.

We can work with you to customize the menu for that to your needs & budget.

Here are the all you can drink packages. Prices do not include tax, or our 20% service charge on consumption:

#2. Standard AYCD

This includes all beer, wine, “bottom shelf” spirits and well classic cocktails, and the option for 2 custom well cocktails. Shots are a pay-per-consumption add-on. \$32/ person/ 3 hours + \$7/ additional hour.
