

Hydraulic Hearth Private Party Pricing 2023

Capacity: Our inside standing capacity is 150 for a cocktail style party. That number shrinks depending on your event's programming (band, dance floor, etc...). If the weather cooperates we can fit a couple hundred more in the patio. It's always smart to plan for rain though.

Sunday/ Monday Rental Fee: \$800/ 3 hours +\$100/ additional hour + 1.5 hours of free setup & 1 hour of free closing time. The bar will be open for the period of paid rental only.

Tues-Sat Afternoon Rental Fee: \$500 for us to open early just for you from 12-3pm. These events must be fully packed up by 4:00pm which is when we open to the public. This option is great for showers.

Buy-Out During Our Regular Hours Of Operations:

Pricing varies based on day of week & time of year, so please inquire for more info. For Fri/ Saturday buy-outs, we charge a rental fee of \$2,500 for 5 hours + \$200/ hour after 5 hours, and require a minimum total pre-tax/tip spend of:
June/Jul/Aug: \$11,000
May/Sep: \$9,000
Oct-Apr: \$7,500

***If you are just looking to reserve space for a happy hour during our regular hours of operation, we can do that as well, for groups btwn 15-35 people. It is not a fully private space, just an extension of the bar (or a couple picnic tables in the patio). Free to reserve, pricing is pay-per-consumption off the menu, and the event has to start no later than 5:30pm.**

-\$500 minimum bar buy for all private events

-\$300 additional rental fee for wedding ceremonies

-20% service charge added to final consumption bill (food & bev). \$100 minimum.

Bar: Choose from one of our all you can drink packages, or for tamer events we recommend just doing pay-per-consumption where we will work with you to set ordering restrictions, and you will only pay for what you consume.

Food: outside catering allowed for private events, to be coordinated by customer. Caterer is responsible for setup, and providing all food utensils, plates, napkins, etc... We charge a \$50 cleanup fee. OR, choose from one of our in-house catering packages.

***Our patio is designed so that a food truck can pull directly in, under the pergola**

-a deposit of \$500 is needed to reserve the space and is non-refundable or transferable.
